TKK

# Aalto University: a knowledge network

# Aalto Campus: a physical network

# Social network: Aalto Community

## Aalto world:

- More than 20,000 students and 4,000 staff, living within and working within walking distance
- The first super-sustainable village in Finland
- An autonomous "world" –not Espoo, not Helsinki.
- Showing the way forward in linking technology and social innovations

Aalto Best ? Competition
